I, I knew a girl and she was a joker  
Her hair was nicotine brown and eyes of a joker  
Her grass has a pale ginger green  
Whatever that means

Together we saw they were building a building  
Alone I see the building is there  
Her grass has a pale ginger green  
Whatever that means

Your mind goes, your mind goes, your mind goes  
This has nothing to do with you  
It's just the way that I turn to you

Your mind goes, your mind goes, your mind goes  
'Cause this has nothing to do with you  
It's just the way that I turn to you

You see I, I knew this girl and she was a joker

And if she was so big, I guess I would smoke her  
Her grass has a pale ginger green  
She knows what it means

Your mind goes, your mind goes, your mind goes  
Well this has nothing to do with you  
It's just the way that i turn to you

Your mind goes, your mind goes, your mind goes  
And this has nothing to do with you

I'm calling it off, I'm taking it low  
I'm staying ahead of our soul  
I'm staying ahead of our soul  
I'm staying ahead of our soul  
I'm staying ahead of our soul

Your mind goes, your mind goes, your mind goes  
Crawl so damn low

I'm calling it off, your mind goes  
I'm taking it low, your mind goes

I'm staying ahead of our soul, your mind goes
