Jesus Christ, the only Son of God  
You are my only Lord, I believe in You  
You have died for me so that I might have life  
So I will follow You, Jesus, I love You

Jesus, Jesus, Jesus, You have set me free  
I've got a new life, I will praise Your name

Jesus Christ, the only Son of God  
You are my only Lord, I believe in You  
You have died for me so that I might have life  
So I will follow You, Jesus, I love You

My heart's desire is to obey You  
I want to fill Your will, share the Gospel to the world  
My heart's desire is to obey You  
I want to fill Your will and share the Gospel

Jesus, Jesus, Jesus, You have set me free  
I've got a new life, I will praise Your name

Lord, give me the words of life  
And the power of Your love to be Your shining Light  
To show Your lost lambs the way  
Their way back home again  
Jesus, Jesus, Jesus, You have set me free  
I've got a new life, I will praise Your name  
Jesus, I will praise Your name!
