Bad boy, bad boy  
Wanting some attention  
Looking for some action  
Can't get no satisfaction  
I am, bad boy  
Searching for my place  
Falling on my face  
Crying out for grace

Take me down  
Take me down to Red River  
Oh, I need to start again  
Take me down  
Take me down  
Wash me clean in Red River  
Cover me in Crimson  
I need Red River

I know, I know  
I've made a big mistake  
Don't deserve no break  
His love will never shake  
I cry, you cry  
Cry out for salvation  
Hear this revelation  
Ain't no condemnation

Take me down  
Take me down to Red River  
Oh, I need to start again  
Take me down  
Take me down  
Wash me clean in Red River  
Cover me in Crimson  
I need Red River

Dripping from that tree  
Flowing down Skull Mountain  
Into that bloody sea  
Cover you  
Red River, cover me

Take me down  
Take me down to Red River  
Oh, I need to start again  
Take me down  
Take me down  
Wash me clean in Red River  
Cover me in Crimson  
I need Red River

Take me down  
Take me down to Red River  
I need to start again
