"Statue Of Liberty"

We're marching on, cry out for freedom
We wanna get liberty or death
Do whatever, whenever we want to
We don't see our liberty is dead

Man's freedom, freedom to sin
God's freedom, freedom from sin

Free to stay, no need to pay
Free to leave, we won't bleed
We don't care those crying out there
We're satisfied, when our love died?

We bow down to the statue of liberty
Worshipping our idol of freedom
The problem we don't wanna see
We're slaves to our freedom
- the fake freedom

We can only reach true liberty
In the Word of God Almighty
Live by grace, live by forgiveness
Have liberty in all it's fullness

I bow down to my Lord of liberty
Worshipping my God of freedom
He has set me free
From the slavery of my freedom

... freedom... freedom... freedom!
... freedom... freedom... freedom!
