Oh don't,
don't cry a tear
when you're alone
with all your fears

Oh I,
I'll be with you
if you are sad
and feeling blue

'cause I give you hope
and I show you love
I give you all
I can't get enough

Refrain:
Tonight there is a new chance
tonight for me and you
yesterday is gone forever
we make your dreams come true
tonight there is a new chance
believing what you do
and at the end of the rainbow
someone's waiting for you

Oh don't,
don't give it up

there is a chance
for a new start

Oh I,
I show you a way

If you are sad
I'll make your day

Oh there is a place
there is a time
and i swear to you

your sun will shine

Refrain

Tonight there is a new chance
tonight for me and you
yesterday is gone forever
we make your dreams come true
tonight there is a new chance
believing what you do
and at the end of the rainbow
someone's waitin' for you

Tonight, you need a heart
Oh tonight we try a new start
Tonight we try a new start

Refrain

Tonight there is a new chance
tonight for me and you
yesterday is gone forever
we make your dreams come true
tonight there is a new chance
believing what you do
and at the end of the rainbow
someone's waiting
someone's waiting for you, tonight

someone is waiting for you
someone is waiting for you
