Huhu....

We believe the dream comes true  
Everything we tried to do  
It wasn't easy all the time

We never felt like this before  
But we love it more and more

Every day and every night

We had joy and we had pain  
Come on let us start again

Music is what we're living for

We have a dream - music is our life  
We have a hope - music will survive  
We'll take the chance - we had it all  
We feel like heroes - we're standing tall

We, all had the greatest time  
Hearts were beating, and we felt fine  
May I dream, my dream with you

Oh, I was sometimes so alone  
Couldn't make it on my own  
But my friends, they're helping me  
We cried tears and we had fun  
And we're singing our song

Music is what we're living for

We have a dream - music is our life  
We have a hope - music will survive  
We'll take the chance - we had it all  
We feel like heroes - we're standing tall

We have a dream - music is our life  
We have a hope - music will survive  
We'll take a chance - we had it all  
We feel like heroes - we're standing tall

standing tall  
standing tall

We have a dream - music is our life  
We have a hope - music will survive  
We'll take the chance - we had it all  
We feel like heroes - we're standing tall

We have a hope - we have a dream
