music: burk, elizondo
lyrics: burk, dunsmore, elizondo

mutilation death's construction
another world left behind
seek the way to no answers
immortal beings left to die

escape to violence
out of control
carnage of reason
destined to death

decimate holy terror
manipulate archaic soul
eulogistic of life's anguish
malevolent hatred blood will burn
parasitic mutant victim
rotting thoughts decayed response
social outcast malicious virus
random murder armed

escape to violence

out of control
carnage of reason
destined to death

solo: elizondo

rancid martyr pillaged horror
abdicate morbid fate
malignant cancer necromancer
the sovereign one is he dead
endotrophic cells implode
corpse of being rabid flesh
sublimated virtues lie decayed
the fatal seed has been spawned

escape to violence
out of control
carnage of reason

destined to death
