Deep within the heart has always known that there was
freedom
Somehow breathed into the very soul alive
The prisoner, the powerless, the saved have always
known it
There's something that keeps reaching for the sky

Even life begins because a baby fights for freedom
And songs we love to sing have freedom's theme
Some have walked through fire and flood to find a
place of freedom
And some faced hell itself for freedom's dream

Let freedom ring wherever minds know what it means
to be in chains
Let freedom ring wherever hearts know pain
Let freedom echo through the lonely streets where
prisons have no key
We can be free and we can sing --- let freedom ring

God built freedom into every fiber of creation
And He meant for us to all be free and whole
When my Lord bought freedom with the blood of His
redemption
His cross stamped pardon on my very soul

I'll sing it out with every breath, I'll let the whole world
hear it
This hallelujah anthem of the free
That iron bars and heavy chains can never hold us
captive
The Son has made us free and free indeed

Let freedom ring down through the ages from a hill
called Calvary
Let freedom ring wherever hearts know pain
Let freedom echo through the lonely streets where
prisons have no key
You can be free and you can sing let freedom ring
Let freedom echo through the lonely streets where
prisons have no key

You can be free and you can sing let freedom ring
You can be free and you can sing --- let freedom ring ---
let freedom ring
