One of these days, I'm gonna sit down and write a long
letter

To all the good friends I've known, one of these days

One of these days, one of these days

And it won't be long, it won't be long

One of these days, I'm gonna sit down and write a long
letter

To all the good friends I've known, one of these days

One of these days, one of these days

And it won't be long, it won't be long

One of these days, I'm gonna sit down and write a long
letter

To all the good friends I've known, one of these days

One of these days, one of these days

And it won't be long, it won't be long

One of these days, one of these days

One of these days

And it won't be long, it won't be long

One of these days, one of these days

One of these days

And it won't be long, it won't be long
