A mid-winter's day, it's cold, and I know for certain  
When I go outside my head will start hurtin'  
It's a winter's day and I know for certain  
When I go outside my head will start hurtin'  
So I'll wrap it up in materials  
To keep my head from getting cold  
I'll wrap it up in materials to  
To keep my head from getting cold  
And I said to all my friends when I have kids  
Yeah I said to all my friends when I have kids

I'm gonna want that child to be a long-haired child  
I'm gonna want that child to be a long-haired child  
I'm gonna want the child to be a long-haired child  
I'm gonna want the child to be a long-haired child

And I go outside and mingle in the snow  
My head looks like a globe  
Ain't no hair on it at all  
Do I buy a wig  
Should I grow my beard  
And comb it upwards  
And around my ears  
Well I can't wait for the kids to come  
No I can't wait for the kids to come  
Say "hey babe you ain't going to no barber shop!"  
'Cause I want, yeah I want and I know for certain

I'm gonna want the child to be a long-haired child  
I'm gonna want the child to be a long-haired child  
I'm gonna want the child to be a long-haired child  
I'm gonna want the child to be a long-haired child  
Baby that's for sure

And when the snow it hits my temple  
I wanna rush home and put on the kettle now  
And warm my little brain and bald head  
I'm too cold to know if I'm alive or dead

But when my baby slips out my mama's womb  
When my baby slips out my mama's womb  
We're gonna enter a new life

Enter a new life, that's for sure  
You're gonna enter your self back through your  
baby's front door  
Now if you want that child to be a long-haired child  
You're gonna make that baby be a long-haired child  
that's for sure  
Baby, baby, that's for sure  
Shoo bop, shoo bop  
Shoo bop, shoo bop
