Never Seen Such Good Things Go So wrong,
And everywhere we go
They play our song (oh oh oh)
Shouldn't love so much like me
Give me ?? and send me to my knee
Love your strange fella'
Show 'em what life could let be
Love your strange fella'
Want you ?? like on me.

If we ever make sweet love again
I'm sure that it would be quit disgusting,
Race to the end, race to the end
The memory of single moment soul,
Empty boring bed and a halo
(haloo halo)

Love your strange fella'
Show 'em what life could let be
May us we be forever
Love be our cold punishment.

Sadly that you win
Sadly that you win
Sadly you win
Sadly you win.
