She was there for me and I don't know why
She was there for me and I don't know why
Don't know why

She was there for me
Did I treat her good?
Though I didnt speak
She always understood,
I took her for granted
I took her for granted
And I don't know why

She was there for me and I don't know why
She was there for me and I don't know why
Don't know why

Through all the tough times
She loved me
Preoccupied
I was too blind to see
She gave her all
She gave her life
She had no more
She did it all for me

She was there for me and I don't know why
She was there for me and I don't know why
Don't know why

She was there for me
She was there for me
There for me
And I don't know why

She was there for me
She was there for me
She was there for me
And I don't know why

I made her cry
I don't know why I made her cry

She knew me but did she know?
I loved her but did it show?
There was a letter and I knew why
She said she loved me
And then she said goodbye.

She was there for me and I don't know why
She was there for me and I don't know why
Don't know why
She was there for me and I don't know why
She was there for me and I don't know why
Don't know why

I don't know why
