Baby,  
I get so scared inside,  
And I don't really understand  
Is it love that's on my mind,  
Or is it fantasy?

Heaven  
Is in the palm of my hand,  
And it's waiting here for you  
What am I supposed to do with a childhood tragedy?

CHORUS  
If I close my eyes forever  
Will it all remain unchanged?  
If I close my eyes forever  
Will it all remain the same?

Sometimes  
It's hard to hold on  
So hard to hold on to my dreams  
It isn't always what it seems  
When you're face to face with me

And like a dagger  
You stick in the heart  
And taste the blood from my blade  
And when we sleep,  
Would you shelter me  
In your warm and darkened grave?

CHORUS  
If I close my eyes forever  
Will it all remain unchanged?  
If I close my eyes forever  
Will it all remain the same?

Will you ever take me?  
No, I just can't take the pain  
But would you ever trust me?  
No, I'll never feel the same...  
Ohh...

I know I've been so hard on you  
I know I've told you lies  
If I could just have one more wish  
I'd wipe the cobwebs from my eyes

CHORUS

If I close my eyes forever  
Will it all remain unchanged?  
If I close my eyes forever  
Will it all remain the same?

Close your eyes  
Close your eyes  
Close your eyes for me
