Never knew how much I loved you
Never knew how much I cared
When you put your arms around me
I get a fever that's so hard to bare

You give me fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

Listen to me baby
Hear every word I say
No one can love you the way I do
Cause they don't know how to love you my way

You give me fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

You know I love you baby
Take these arms away
Take this heart and never use it
Just believe what my hips have to say

You give me fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

Sun lights up the daytime
The moon lights up the night
My eyes light up when you call my name
Cause I know you're gonna treat me right

You give me fever

When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night
