Dear God please don't fuck me on this one  
Cause me heart is getting colder  
Nights are getting older  
And I have always known that he is the one  
So God please don't fuck me one this one

The path was a little shady  
And I haven't always been a lady  
But I gave my heart and soul  
Intentions pure as gold  
But he still felt he had to go so
