Now stand right over there but don't talk to loud  
I would hold your hand don't want to stand out in a  
crowd  
I would buy you flowers but they'll die anyway  
But I'll cover with butter just to get you to stay

Chorus

I am the one who got away  
Doesn't matter what you say  
You'll regret it till your dying day  
Cause I'm the one who got away

Now she's just a friend and it don't mean a thing  
If it didn't affect my work then I would wear my ring  
Baby you know I love you and I'll always be true  
But a mans gotta do what a mans gotta do

Chorus

You won't hang up my picture for all those to see  
What's the matter baby you embarrassed of me  
Cause I am the toughest little cookie that you ever  
gonna see  
And you'll be crying like a baby when you can't find me

Chorus X2

I am the one who got away  
I am the one who got away
