Chorus

You are the best thing and the worst thing  
That has ever happened to me

Ramona she was in love with Pedro right from the start  
But on one summer night when he did not come home  
She felt a pain in her heart  
He said he was with his brother until he could drink no  
more  
But he could not look into her eyes  
And she took and threw her ring on the floor

Ramona's good friend Maria gave her shoulder to cry  
on  
She said, "Men aren't worth a damn, stop crying if you  
can,  
You should gather your things and move on."  
But Ramona she was in love with Pedro right from the  
start  
"I'll give him one more chance, it all happened so fast  
And I vowed til death do us part."

Chorus

You are the best thing and the worst thing  
That has ever happened to me

Stop just where you are  
Already you've gone too far  
'Cause I have learned enough from you  
By you just breaking my heart

Ramona had good news of a baby she would birth in  
seven months time  
But she came home to Pedro in bed with Maria  
Her very good friend at the time  
Ramona pulled out a pistol shot Pedro then looked at  
Maria  
She said, "Men aren't worth a damn, stop crying if you  
can  
You should gather your things and move on."

Chorus

T   eres la mejor cosa y la peor cosa que  
Me ha pasado
