Deep within the heart has always known that there was
freedom

Somehow breathed into the very soul alive

The prisoner, the powerless, the saved have always
known it

There's something that keeps reaching for the sky

Even life begins because a baby fights for freedom

And songs we love to sing have freedom's theme

Some have walked through fire and flood to find a
place of freedom

And some faced hell itself for freedom's dream

Let freedom ring wherever minds know what it means
to be in chains

Let freedom ring wherever hearts know pain

Let freedom echo through the lonely streets where
prisons have no key

We can be free and we can sing --- let freedom ring

God built freedom into every fiber of creation

And He meant for us to all be free and whole

When my Lord bought freedom with the blood of His
redemption

His cross stamped pardon on my very soul

I'll sing it out with every breath, I'll let the whole
world hear it

This hallelujah anthem of the free

That iron bars and heavy chains can never hold us
captive

The Son has made us free and free indeed

Let freedom ring down through the ages from a hill
called Calvary

Let freedom ring wherever hearts know pain

Let freedom echo through the lonely streets where
prisons have no key

You can be free and you can sing let freedom ring

Let freedom echo through the lonely streets where
prisons have no key

You can be free and you can sing let freedom ring

You can be free and you can sing --- let freedom ring ---
let freedom ring
