"The Love Of God"

Visit "[The Love Of God](#)" on MotoLyrics.com

The love of God has been extended
To a fallen race
Through Christ the savior of all men
There's hope in saving grace

The love of God is greater far
Than gold or silver ever could afford
It reaches past the highest star
And covers all the world

It's power is eternal, eternal
It's glory is supernal, supernal
When all this earth shall pass away
There'll always be the love of God

It goes beneath the deepest stain
That sin could ever leave
Redeeming souls to live again
Who will on Christ believe, will believe

Oh, the love of God is greater far
Than gold or silver ever could afford
It reaches past the highest star
And covers all the world

His power is eternal, eternal
His glory is supernal, supernal
When all this earth shall pass away
There'll always be the love Of God, precious love of
God
