It's...a good...day...to fucking die
A good day...a fucking good day
A good day...a fucking good day...to die

Truth be told, the water looks cold
And the trees fly by as we drive
The sun goes down
Sometimes I wanna stay
Sometimes I wanna leave
Sometimes I gotta ride

Riding this rail I know what i'm on
But not now what i'm in for
The train to nowhere seems to never end
As far as I can tell...HELL

Before all hell breaks loose
Before the Hangmans Noose
And as the sun goes down
I'll say
It's a good day to die, a good day to die
Before the Hangmans Noose
I'll say
It's a good day to die, a good day to die

No more stops, time to punch your ticket
This time the ride is one way
I can see a shadow of a man
And man he's coming my way

Riding this rail I know what i'm on
But not now what i'm in for
The train to nowhere seems to never end
As far as I can tell...HELL

Before all hell breaks loose
Before the Hangmans Noose
And as the sun goes down
I'll say
Its a good day to die, a good day to die
Before the Hangmans Noose
I'll say

Its a good day to die, a good day to die

This day will be mine
This day will be mine
This day will be...MINE!x3

SHIT!

Before all hell breaks loose
I'll say
Before the Hangmans Noose
I'll say
It's a good day to die, a good day to die
Before all hell breaks loose
I'll say
This day will be mine...
This day will be mine!
Before all hell breaks loose
It's a good day to die.
