Blood is my life
Blood is the road
Everytime I have to write another hate song
This is the last great hate song
Scorned is this life
Scarred is my soul
Everytime I have to write another hate song
This is the last great hate song

Lets get it out
Lets get it straight
I wish you were dead (2x)

Don't mistake kindness for weakness
Front and center for another ass kicking
Don't mistake survival for forgiveness
Front and center for another ass whoopin

I am the dog that forever bites back
Forever on attack watching my back (2x)

Die and die now
I wish you were dead (6x)

Feast your life
The beast the road
Everytime I have to write another hate song
This is the last great hate song

Let's get it out
Let's get it straight
I wish you were dead (2x)

Don't mistake mercy for forgiveness
front and center for another life lesson
Don't forgive, damn sure don't forget
Damn sure, won't forget

I am the dog that forever bites back
Forever on attack watching my back (2x)

Die and die now

I wish you were dead (6x)
DIE
Curses from my life
Curses from my soul
This is the last great hate song (2x)
Damn sure won't forgetDIE (4x)
