There's dead leaves on the dirty ground  
That's how I know you're not around  
To be with me  
I stroke your hair, kiss your lips,  
Kiss the ground, but you're not around  
And you're nowhere to be found

I'm innocent and you're guilty of the charges that are  
coming in  
Guilty as sin  
My heart is hit, even when, you are far away  
I look to the sky, and ask the clouds to rain

I'm so sorry my wings can't be clipped  
But I'm heading for the moon and it's eclipsed  
I'm so sorry my wings can't be clipped  
But I'm heading for the moon and it's eclipsed

Blood on my bed  
Is now blood on my hands  
When I was so far away  
The guilt in your voice,  
The mistaken word,  
When I was nowhere to be found

You're innocent and I'm guilty of the charges that are  
coming in  
Guilty as sin  
Your heart is hit, even when, I am far away  
You look to the sky, and ask the clouds to rain

I'm so sorry my wings can't be clipped  
But I'm heading for the moon and it's eclipsed  
I'm so sorry my wings can't be clipped  
But I'm heading for the moon and it's eclipsed

I'm ready for the moon  
I'm ready for the moon  
But I'm heading for the moon and it's eclipsed

Why can't we get it together?  
Get it together

Why can't we get it together?

I'm so sorry my wings can't be clipped  
But I'm heading for the moon and it's eclipsed  
I'm so sorry my wings can't be clipped  
But I'm heading for the moon and it's eclipsed

I'm ready for the moon  
I'm ready for the moon  
But I'm heading for the moon and it's eclipsed
