Secure and hold fast
Before you lose control

It's hell and high water
Believe in gods, hooves, horns and thunder
Days of wrath don't go seeking shelter
Poison creeps, serpents slither, then slumber

Bastards, paradise, true the bargain was made
Full thrust enticed to an early grave
Deals were struck late into a cold winters eve
The table was set, laid out for the feast

Secure and hold fast
Before you lose control

Head on to heartache
Beware of the promises made
Head on to heartache
Steadfast to an early grave
(Let them rot)

Deals with the devil, there's no second best
It's in my nature to say fuck the rest
Ever thought the world was crashing down?
Man, the people were talking all around

Bastards, paradise, true the bargain was made
Full thrust enticed to an early grave
Deals were struck late into a cold winters eve
The table was set, laid out for the feast

Secure and hold fast
Before you lose control

Head on to heartache
Beware of the promises made
Head on to heartache
Steadfast to an early grave
(Let them rot)

Head on to heartache

Beware of the promises made
Head on to heartache
Steadfast to an early grave
(Let them rot, let them fucking rot)

Secure and hold fast
Before you lose control

Head on to heartache
Beware of the promises made
Head on to heartache
Steadfast to an early grave
(Let them rot)

Head on to heartache
Beware of the promises made
Head on to heartache
Steadfast to an early grave
(Let them rot)

Let them rot, let them rot
Let them rot, let them rot
Let them rot, let them rot
Let them rot, let them rot

Let them rot, let them rot
Let them rot, let them rot
Let them rot, let them rot
