Just run!!  
Just run!!  
Just run!!  
Just run!!

Courage without conviction  
Is apathy at best  
Better move with a quickness  
Or get shit-canned like the rest  
No one taught you how to run with the pack  
So blaze your own trail down  
Catch yourself if you slip  
Chances are there'll be no one around

Get out, leave it far behind  
Get out, leave it far behind  
Get out small town

Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  to save your soul  
Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  to take control  
Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  to save your life  
Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  it's do or die  
Just run  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$

The grass is greener on the other side  
No one here gets out alive  
It's up to you to survive  
There's a monster on your side

Get out, leave it far behind

Get out, leave it far behind  
Get out small town

Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  to save your soul  
Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  to take control  
Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  to save your life  
Run now  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$  it's do or die  
Just run  $\tilde{f}\hat{\phi}$ ,  $\neg\tilde{\hat{}}$

I've got faith on my side  
Destiny on my side

I know it's getting better  
I can feel it getting better  
It can't get much worse  
It couldn't get much worse

This time I'm gonna run

Run now *f* to save your soul  
Run now *f* to take control  
Run now *f* to save your life  
Run now *f* it's do or die  
Just run *f*
