What do I have to do for this?

I love this, please push me harder
I just keep getting meaner
I'm growing from the pain
How about you! Shit

Life, it's hard, it makes me stronger
A warrior seeking victory
I'll push it 'til the end, push it 'til the end
Push it 'til the end, shit the end, shit the end

Knee deep in the shit
All together in the pit
All forever in the shit for this

Pirate, poet, fucking killer
It's all what you've made me
What has life made you
Made you, shit

Life, chalk it up to desire
Of which I've had my fill
I just keep pushing forward, keep pushing forward still

Keep pushing forward still, shit, still, shit, still

Knee deep in the shit
All together in the pit
All forever in the shit for this

So if you feel the need, bring it, bring it
And if you just want to spit it out, bring it, bring it
And if you just see your way clear then, bring it, bring it

Knee deep in the shit
All together in the pit
All forever in the shit for this

Knee deep in the shit
For this
Knee deep in the shit

For this
