She brings me nails and turpentine
All of this time the girl was mine
I am in love like a rusted dog
All of the time my head in the fog

Cat's in the corner, dog's on the floor
Phone keeps ringing, she's asking for more
The spaces between places
I'm not worthy, leave me alone

You should have never left me alive
You should have sat and watched me die

Isn't it hard living on Resurrection boulevard?
Isn't it hard? Isn't it hard?
Isn't it hard living on Resurrection boulevard?
Isn't it hard? Isn't it hard?

He bring me life so full of smiles
All of this time been friends for miles
Logging hours, laughing for days
Talking shit on others ways

Cat's in the corner, dog's on the floor
Phone keeps ringing, she's asking for more
The spaces between places
I'm not worthy, leave me alone

You should have never left me alive
You should have sat and watched me die

Isn't it hard living on Resurrection boulevard?
Isn't it hard? Isn't it hard?
Isn't it hard living on Resurrection boulevard?
Isn't it hard? Isn't it hard? Isn't it hard?
Isn't it hard? Isn't it hard? Isn't it?

You, you should have sat and watched me die
On Resurrection boulevard
You, you should have never left me alive

Isn't it hard?

Isn't it hard on Resurrection boulevard?
Isn't it hard on Resurrection boulevard?
Isn't it hard? Isn't it?
