Pure manifestation of evil
It's black and it's dismal
You'd never know until it's upon you
You're on a bender
I'm deconstructing the disease

You've burned the bridges
You've sowed the lies
You've burned the bridge
You're on the shitlist

You've burned the bridges
You've sowed the lies
You've burned the bridge
You're on the shitlist

Hate holds me together
Your skin's not worth the saving
Just keep my name outta your mouth
On your fuckin' benders
I'm deconstructing the disease

You've burned the bridges
You've sowed the lies
You've burned the bridge
You're on the shitlist

You've burned the bridges
You've sowed the lies
You've burned the bridge
You're on the hit list

The tables have turned
I've opened my eyes
Look at all you've burned
You're on the shitlist

Fear will do what must be done
Death will reign from above

You've burned the bridges
You've sowed the lies

You've burned the bridge
You're on the hit list

The tables have turned
I've opened my eyes
Look at all you've burned
You're on the shitlist
You're on the shitlist

You know who you are
You're on the hit list
