occasional thoughts of suicide
green light, im ok

long long way

tempting you

cant make a move

show me a sign
whats your will
its a...

long long way
between sin and sacrifice
long long way
between sin and sacrifice
long long way
between sin and sacrifice

long long way
between sin and sacrifice

im burning internally
im burning
im burning internally
im burning
its a...

long long way
between sin and sacrifice
long long way
between sin and sacrifice
long long way
between sin and sacrifice
