Trouble is on it's way  
It's on it's way

Another day, another decision  
One that eventually affects us both  
Teach me to whisper, cause I feel like screaming  
Teach me to whisper

Anger and hatred are their oars  
Revenge their vessel  
Be strong, be patient

Making the best of a bad situation  
Making the best of!  
Making the best of a bad situation  
Making the best of!

This is your conscience speaking, spare your spirit  
Trouble is on it's way, it's on it's way  
Teach me to whisper  
Cause I feel like screaming, teach me to whisper

Anger and hatred are their oars  
Revenge their vessel  
Be strong  
Be patient

Making the best of a bad situation  
Making the best of!  
Making the best of a bad situation  
Making the best of!

Behold the destroyer  
By the hand of man  
Death be delivered  
[X2]

Anger and hatred are their oars  
Revenge their vessel  
Be strong  
Be patient

Making the best of a bad situation  
Making the best of!  
Making the best of a bad situation  
Making the best of!
