Every morning I'm broken,
every day I die.
Every night I weaken and every night I cry.
Standing in the rain,
in the street outside.
Running down my face tears in my eyes.

Demasiado corazÃ³n, demasiado corazÃ³n.
Demasiado corazÃ³n, demasiado corazÃ³n.

Don't know why I wake up,
don't know why I try.
Was that me the cool one or some other guy.
Standing in the shadows
of the sky above.
No one knows I'm crying beaten by my love.

Demasiado corazÃ³n, demasiado corazÃ³n.
Demasiado corazÃ³n, demasiado corazÃ³n.

Cada maÃ±ana estoy quebrado...
(Every morning I'm broken...)
Y por las noches me despierto con lagrimas negras,
(And at night I wake up with black tears,)
fuera en la calle, abajo de la lluvia,
(On the street outside, in the rain,)
Lonely with my pride, holding in my pain.

Demasiado corazÃ³n, demasiado corazÃ³n.
Demasiado corazÃ³n, demasiado corazÃ³n.
