[Devin Talking (talking low)]

[Devin]

I know I shouldn't do this but i can't help it
I'm a fiend lotion and magazines is what I'm left with
I step without my pride to the toilet and lace my palm
With honey and almond

But suddenly the phone rings and its Kb
Pussy just came through some for him and some for
me

Hell yeah I'll be there to help you fuck 'em
Get 'em drunk get 'em high pull they titties out and
suck 'em

[K.B.]

Don't rush 'em

We bout to fuck these hoes man no question
Just bring your ass on because they already buzzin
And lovin, my hospitality I put it down

I got a quarter pound of weed and a big thang of crown
Shit my dick hard now, just lookin at these bitches
With these big soft asses and these nice round titties
While you gigglin you best a hurry your ass the fuck
I'm bout one second away from cranking this fuck fest
up

(Chorus)

No need for rest haven these hoes
Lets, show 'em what they pussy made for
Lets me and you lay in these hoes
And, show 'em what they pussy made for
No need for us saving these hoes
Lets, show 'em what they pussy made for
Lets leave without payin these hoes
And show 'em what they pussy made for
[Devin]

Man, just let 'em know I'm coming in bout 25 minutes
And get they pussy ready cause I'm finna to dive in it
I hear 'em talkin loud in the background, hollin
Tell 'em don't get too drunk and keep they pussy lips
smilin

[K.B.]

These hoes wildin, but still I got 'em under control

Impatiently waitin for some dick thats swole
And just some horny ass bitches that love to fuck
Tellin me how they suck dick and swallow the nutt (they
gobble it up)

I thought I told you about one of them hoes
I put my foot inside her pussy and took it out and suck
my toes

Yo, don't forget to stop and get some fuckin duncoms,
condoms

Forget them nigga we got a problem

[Devin]

That ain't no problem man, you know we must cover
our bones

Zoom zoom bust in the room get bout two and I'm gone
And as soon as I get there I'm gonna spit some game
to her

Get the pussy so quick you think I already knew her

(Chorus)

[K.B.]

Finally, at last Devin showed up

And the first thing this muthafucka said was.....(Devin

[Devin]

Man thats too much pork
