Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

You ain't the only one who got problems

You ain't the only one who knows pain

Get up off your ass and just solve it

You still got a chance to try to change, try this shit again

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

Really ain't no need for self pity

Cryin' when there's no one else around

Life I know sometimes can get shitty

Even shittier when sleepin' on the ground, no need to complain

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

Anythang is plenty man and is better than an' nothin' at all

Anythang is plenty man

You ain't the only one who got problems

You ain't the only one who knows pain

Get up off your ass and just solve it
You still got a chance to try to change, try this shit
again

Really ain't no need for self pity
Cryin' when there's no one else around
Life I know sometimes can get shitty
Even shittier when sleepin' on the ground, no need to
complain

Anythang is plenty man and is better than an' nothin' at
all
Anythang is plenty man
Anythang is plenty man and is better than an' nothin' at
all
Anythang is plenty man

Nothin' at all, nothin' at all, anythang is plenty man
I hope you realize that everybody gonna need
somebody sometime
Anythang is plenty man and is better than an' nothin' at
all
Anythang is plenty man
