As I lay down on this beat, I pray that my soul release,  
All of the answers that people need from me, deep in  
me,  
Hopefully I can clear the air,  
By layin it in this verse,  
And shut all the gossipin cause I put in a lot of work,  
Just to improve my ways,  
And show how much of me changed,  
Preoccupied a lot of times, just tryin to do this rap  
thang,  
I've gained a lot of legitimate dope, from lyrics and  
beats,  
To where I don't care about, what you gotta say about  
me,  
You think I'm trappin, I'm practicin actin, picking up  
different hustles,  
Keepin a clean slate, so I'm so far away from the  
struggle,  
Prepped for you chitta-chatters, and bloggers on  
websites,  
Who wanna go to war with words but ain't got their  
money right,  
My priorities are in line, consistantly on the grind,  
You waitin on my downfall, you'll be waitin a long time,  
I'm surrounded by real niggas, go gettas, and go git it,  
That share the same dream I share,  
When we make plans, we down with it,  
My unit move like we religious, teaches in packs,  
And make sure everything we do is intact,  
So muthafucka fall back,  
And let the chips fall where they may,  
Cause I'ma continue to represent that One Four K,  
In every way, and every day, until the lord calls me  
home,  
I'm gonna keep doin this until I'm gone,  
Fuck you, you think I'm dead Wrong,  
Then trust me I don't wanna be right,  
Cause I've been through the stormy weather, chasin  
after the sunlight,  
Cause I know, I know

(Devin the Dude)

People talk, they lie and look, they gossip and shit, that  
how their time  
Is took,  
Keep doin ya thang, don't rest your case,  
You fucked up before, but don't trip on the mess you  
made,  
Keep goiin, You'll get there

(14K)

Ya'll don't know the half of it,  
You can get satisfaction,  
I'll make it I'll get to actin,  
With words instead of action,  
You want lets get it crackin,  
Go on with the yappin,  
Cause gossin like a bitch, will get a bitch slapped,  
Swag so dash,  
And words so outlandish,  
Personality smashin  
Outspoken to madness,  
White tee blue fitted,  
With the stripe matchin,  
Gets a lot of tail,  
While you leavin with a passion,  
My time ain't here for waistin, but makin paper lets git  
it,  
Man I take your opinion, and I wipe my ass with it,  
My past is somewhat shady,  
Maybe sometimes I was crazy,  
Lately it's been fuck you pay me,  
Baby that shit there don't faze me,  
Daily, I be bout my bread,  
I spend more time gettin head,  
Than I spend, walkin round, worrying bout some shit  
you said,  
Ain't nothin picture perfect,  
But I don't explain myself cause really, I don't think It's  
worth it,  
Cause you gon feel how you feel, regardless of what I  
say,  
And look at something good about me in a bad way,  
My people say I'm the shit,  
My kids say I'm the king,  
My fans know when I get behind this mic, dog I do my  
thang,  
And if I did give a dam, bout a whispin as nigga,  
It just ain't no way I could be out here fakers,  
You busy tryin to light my matches, now your life in  
ashes,  
I'm just tryin to get ahead, while you worried bout me

crashin
