

Devin The Dude "She Want That Money"

Visit "[She Want That Money](#)" on MotoLyrics.com

And I'm just walking down the street tryin' to find me
something to eat and
I ran across this freak, who was talking about, she was
trying to sell some
Pussy to me for 'bout 40 dollars a nut, and I like to nut
lyke three times,
So that's 120 dollars I can save if this bitch just gives
me some pussy for
Free. right, but she wasn't listening to me, so she
followed me to the room
And, you know, I assume I'm just gonna get some head
for a minute or two...
She came through the door, put her shoes on the floor
and...
On that big brass bed I throwed her, bitch never saw
such a dick that I
Showed her.
I put her over then I told her to control her voice, she
had no problem
Bitch had a pussy hole of a horse.
I opened it up, I stuck my dick in, she caught her wind
and said "huh
Aaah", looked at me and said "D, do you love me not?"
I said "biiitch, what are you smoking, your pussy ain't
no better than the
Rest" and kept stroking.
She started crying, but still she kept her legs open,
steady wishing and
Hopin' that she could be mrs coplin, bitch your crazier
than you look, go
Wipe that cum out your nose, cause you're nothing but
40 hundred croff
Snatchin hoe who...
Tried to sell me some pussy, but no, you ain't gonna
sell no pussy to me x2

She said she love me, I'm the only nigga that can make
her left thigh
Shake,
She want that money, that ice that she strife, let me get
that cake...

Yeah, if you sell me some pussy bitch, you can't have it back.

It's all mine now, I'm the owner of your pussy cat, you can't manipulate a

Player with pussy games and tricks, matter fact, it's 500 bitch for some

Dick, uh.

Niggers either begging and pleading for some pussy hole, not me nigger

Cause I keep my looks all in a row.

Meaning that they understand, and is they all mine and if they can't mine

Bitch move your ass down the line.

Bust a couple and I'm feeling fine, I don't really have the time to help

You out your fucking buying, your destiny you gotta fire.

You gotta have an understanding my personality demanding, keep them lips

Tight I'm busting like a cannon.

Oh, do not haste, to lower your face below my waste to take a taste of

Paste it's not a disgrace.

Ask me what her solution, I told her prostitution, bitch she do it down in

Houston.

Tryin' to sell me some pussy, but no, you ain't gonna sell no pussy to

Me... x2

She said she love me, I'm the only nigga that can make her left thigh

Shake,

She want that money, that ice that she strife, let me get that cake...

Hey, say, I'm so glad we had this opportunity so please let us seize this

Moment in time, and I'm inclined to tell you something intellectual, let me

Get up in your ear, near, whisper something sexual, I bet you will. she

Said "please you can say that, you're just talking shit, swallow, spit I'm

Payed cash"

I said woah, hold on mama, how we getting all of this and just like some

Claws she went down a little bit, she said "30 for some head, 50 for some

Ass, we've gotta 20 dollar jack off special, but you gotta do it fast"

Really all you need is personal management, and on
the cool I specialize in
Working with damaged shit.
Got all this cash, dunno how to handle it, and it's funny
how you make
Money off these hotted sandwiches.
The advantage is, I get that thaang for free, so you
ain't gonna get no
Change from me...
Tryin' to sell me some pussy, but no, you ain't gonna
sell no pussy to
Me... x2

She said she love me, I'm the only nigga that can make
her left thigh
Shake,
She want that money, that ice that she strife, let me get
that cake...
