[DJ, play that song man, play that song DJ]

(Devin The Dude)-

[Yeahh, time to roll up somethin man, smoke somethin man

Grab a drank, grab somethin to smoke on, yeah it's about that time]

(Chorus)-

We get high x4

(Devin The Dude)-

[Yo how much is that?]

110 to spend wit a friend, why not?

My shit look like my eyelids are inside out

Not a dime this time but a nice sized quarter

We call our shit coffee but we don't dip it in that water

We honor it with no sugar and cream, straight green

Then it's chicken and ribs, baked beans, my plates clean

Then I find the rhythm, mind if I give em a little?

I'm kinda high right now so I'll just go and hit a

McGriddle

Then I'll twiddle my thumbs, my direct connect is gone

But my middle man is bout to come with some more

dro

Oh yo! You know the logo: we higher n' a mofo

(Chorus)-

We get high

(Rob Quest)-

Like cool brown, that's wat scoots round

Aint no time better than this, so let's do it now

Put our shit together now, we got some dealer's shit

Call the babes all decipherin' and then we phillo shit

And pull our wigs back, may drink a six pack

(Devin The Dude)-

Damn that bitch spent, bra let me hit dat

We got these hoes we got the dranks we got the dro

We got security and they knockin at the door

They oughta know

(Chorus)-

We get high x3

(Devin The Dude)-

Now all of a sudden I'm buzzin, I only hit that hoe twice
But if you pass it right back, shit that'll be so nice

(Jugg Mugg)-

Yeah so I guess that mean the clock starts now
As i take a hit - that's some pretty strong shit
It aint hard to admit that I'm thinkin I can't quit
Cuz man I love the coughee sip - brew, laugh, fuck and
trip
Cough one time for people that's over there
Ima cough 2 times for ladies that's everywhere

(Chorus)-

We get high

(Jugg Mugg)-

Yeah, cuz that's the way that it goes
I blow some smoke out my mouth and the rest up my
nose
Now my new cologne smell is the smoke in my clothes
I'm blowin smoke signals, now wat's the opposite of
low?
[Highh]
I'm starvin', somebody tell me where the groceries be
I've got the munchies, feel like I haven't ate a bite in
weeks
Then I fell asleep, woke up wit another sweet
Start that shit all over again, you see they know-

(Chorus)-

We get high x5

(Rob Quest)-

Man this aint no Cheech & Chong movie, we smoke it
into the doobie
If you ask who we be, we be the O Double D
The proof is in the puddin, the puddin be in the booth
My man he got some good he said he'd be the truth
He aint lyin, anytime to be buyin a bag of hucklebee
Hell you could tell the smell is always stuck on me
My nerves kinda bad, I need a stabilizer
Star Trek Enterprise with a vaporizerr

(Chorus)-

We get high x5

(Devin The Dude)-
[All day, all day every day, smoke somethin, fasho,
while we fuckin your hoe
Shit man (laughs) hell yeahh!]
