Chorus:

Daydreaming girl, I'm thinking if you  
Everyday you pass me by  
I'm gonna get you, gonna stake it in you  
And you'll be glad at the time time  
Daydreaming girl, I'm thinking if you  
Everyday you pass me by  
I'm gonna get you, gonna stake it in you  
And you'll be satisfied.

I know I hadn't been coming around like I used to  
Been slipping to the point where I thought I was gonna  
lose you  
I keep you in mind, I'm gonna weeks at a time  
I wish I could take you with me cause I need you around  
A second guessing, yes it's stressing, cause I'm going  
so much  
Realize, you'll be surprised how much I ... for your time.  
Sometimes I look in disguise hoping to see your eyes  
Somewhere, I stay, but you are not there.  
I got thirty two days left, but first thing ASAP  
Right when I'll get back, you'll.. this, I'll hit back!  
I can't help but to think somebody is holding you tight  
And he's got you in his arms when it's colder in night  
I get upset with just the thought of it, but it's my fault of  
it  
But when I'll get back, you'll get out of this  
Damn, until then  
I'll just gonna keep daydreaming

Chorus:

Daydreaming girl, I'm thinking if you  
Everyday you pass me by  
I'm gonna get you, gonna stake it in you  
And you'll be glad at the time time  
Daydreaming girl, I'm thinking if you  
Everyday you pass me by  
I'm gonna get you, gonna stake it in you  
And you'll be satisfied.

Every hour that go by, I'm missing you, you know why

Because you're so freaky, so fine, and so fly  
But you're so.. and going so...  
And I appreciate the way you stay strong and hold on  
for this bone  
Cause he missing the way... when I pull it in  
You know it's worth waiting for, the pain that...  
..that you say that you love so much  
I'm missing the way you be giving me my...  
...looking at these sluts  
But it don't matter though, it's you who I'm thinking of  
I'll be back in a moment, don't get...  
and throw it on the ground,  
Cause I've got some other fucking crown  
It's going down!  
Don't worry about me looking at no...  
Cause as soon as I go back, I'm gonna put it in yours.  
I'll just gonna keep daydreaming

Chorus:(x2)

Daydreaming girl, I'm thinking if you  
Everyday you pass me by  
I'm gonna get you, gonna stake it in you  
And you'll be glad at the time time  
Daydreaming girl, I'm thinking if you  
Everyday you pass me by  
I'm gonna get you, gonna stake it in you  
And you'll be satisfied.
