[Words and music by Devin Townsend]

If you ever need a friend in me  
...ever need a friendly deed  
Please don't ever let me  
Slip away  
What I'll miss in the travesty  
Is easier than it needs to be

Please don't ever let me slip away  
Because it's cold in the fantasy  
I'd do or say anything  
Sell me, tell me, I'm wild  
(I'm wild)  
As I am in the fantasy

I'll do or say anything  
I dance for thee 'cause we  
All enjoy a wild colonial boy  
-Cats- Time! Time!  
Paddington, Paddington  
That's the saviour  
Awe saw sale ya!  
Watch the boy he feels it all  
Watch the boy he heals it all
