See how the waves of the world,  
Recline to me,  
See how the weight of the world,  
Resign to me,  
Sooner or later,  
The nights with the satyr,  
Will bring back the memories,  
Time...  
See how the sight of it all,  
Recline to me,  
Dance of the power of all,  
Resign to me,  
Who's the weakest now?  
Caught up in the wire,  
I'm already gone,  
Who's the weakest?  
I concede to rights,  
To do whatever I can,  
Watching a right,  
But not this,  
I'm Ziltoid!  
I don't give a shit!  
I live above earth!  
In a rocket ship!  
I'm Ziltoid!  
The horror!  
The horror!  
I'm Ziltoid!  
The horror!  
The horror!  
I'm Ziltoid!  
The horror!  
The horror!

Stay at home for me,  
You and I are free,  
To love by the firewall,  
Too loud for a while...  
Stay at home for me,  
(Ziltoid the omniscient)  
Come on I,  
Are we?

(Oooohhh Ahhh)  
In time,  
You'll be young again,  
Too loud for a while...  
Say I'm wasting all my life,  
Say I'm wasting time,  
Stay at home for me,  
(Ziltoid the omniscient)  
You and I are free  
To love...

So in the end,  
It's beautiful,  
It's beautiful,  
Yes in the end,  
It's beautiful,  
So beautiful,

You say you wanna know!  
You say you wanna take it down!  
You say you wanna know, know, know!  
Well now's the only time!  
Are you sure you wanna know?  
Are you sure you wanna take it down?  
Are you sure you wanna know, know, know?  
You're a PUPPET!  
You're a PUPPET!  
You're a PUPPET!  
You're a PUPPET!  
You're a PUPPET!  
I am a PUPPET!  
I am a PUPPET!  
I am a PUPPET!  
I am a PUPPET!  
We are all PUPPETS!  
We are all PUPPETS!
