So cold, in the night,
Where the river flows,
Where the river flows,
So cold, in the night,
Where the river flows,
Where the river flows,
Sail away,
Hey, I'm sorry,
Everyday is a new day.
Hooray for love,
Hey, I'm lonely,
Trying to find a new way.
So cold, in the night,
Where the rivers slow,
Say the rivers slows,
So cold, in the night,
Where the rivers slow,
Say the rivers slows,
So cold...
Connect!
So cold, in the night,
Hold on...
Hold on...
So cold, in the night,
Hold on...
Hold on...
Sail away,
Hey I'm sorry,
Every day's a new day,
Hooray for love.
Hey I'm lonely
Try and be on your way,
On your way...
On your way...

She loves me not...

[Narrator:]
