[Narrator:] Having been rejected by the planet smasher, Ziltoid seeks the council of the omnidimensional creator.

[Ziltoid:] Assuage my confusion about creation and the universe

[Creator:] Yo! Ziltoid, what's up dude? Long time no see... although I see everything. What's on you mind bro?

[Ziltoid:] Modular forms and elliptic curves! Infinite fire revolving around infinite parallels fractals of infinite reality, each cascading, gliding in an infinite wheel. Tell me the true nature of my reality!

[Creator:] You gotta chill man...
