(Star child rise)

Star child rise!
Star child rise!

So much beauty, keep strong and focused
With god among us, forever we stand!
(Wake up, wake up)

(Welcome home)

Welcome... welcome home, god knows all...
God knows all...

Keep to the left! keep to the right!
Ah, it feels so good!

(Metamorph)

Black and white, back and forth
(Praise god, praise god)

(Infinite waltz)

Welcome home, ladies and gentlemen
