3:15 AM

Awake

...sweat lights fly by outside,

Damn it, it's hot in here...

It's so hot...

...too hot to sleep

All I need...

Black on black,

The red burns

3:15 AM

...rises, beside, behind...

It's easier to sleep,

It happened,

...there's nothing I can do about it.

All I need I am finished now,

I am full,

I am ugly,

I am your promise.
