[Words and music by Devin Townsend]

Running away, running away
Running away forever
It was her only chance of finding home
Running away, running away
Running away together...
With only thoughts of finding home

I'll wait for the ocean to rise up
And meet me as it rose up before
(I'll know the time)
I'll wait for the ocean to rise up
And greet me as it rose up before
(I'll know the year)

Because you're never alone
...Even when you're alone
You're never alone...
Watch the seventh wave

Running away, running away
Running into the weather

With only thoughts of finding home
Running away, running away
Running away forever
I realize I'm on my own

On my way pass it on
On my way pass it on

I'll wait for the ocean to rise up
And meet me as it rose up before
(I'll know the time)
I'll wait for the ocean to rise up
And greet me as it rose up before

We're never alone
Even when you're alone
We're never alone... watch the ocean
