So the time is right, So tell me if you wanna?  
You should change it if you're gonna...  
But I don't really know how... I've already tried...  
INVOLVE.  
I don't want to save my soul now... I don't want to lose  
control...  
And even if it takes a lifetime to learn... I'LL LEARN.  
Don't fall in line... If you're thinking that you're gonna...  
You should maybe think about a reason in your own  
mind...  
You've already gone!  
EVOLVE.  
I don't wanna save my soul now... I just wanna LOSE  
CONTROL!  
And even if it takes a lifetime to learn... I'll learn... I'll  
learn...  
WE LEARN!  
Here's our defense...heroes defensive, heroes left you  
to die.  
YOU LEFT ME TO DIE!  
I don't wanna save my soul now... I don't wanna lose  
control...  
So even if it takes our lifetime to learn... I'll learn... I'll  
learn...  
WE ALL LEARN!
