ATTACK!

People of Earth!
We are the Ziltodian Warlords,
Resistance is futile!

Ziltoidia attaxx!
Ships are in the sky,
Everything goes rushing past,
And you know the reason why!
Woah! Down!
Woah! No!
You give us some coffee!
You give us some coffee!
Give it to what they do!
Ziltoidia Att-tack-tack-taxx

And you know the reason why!
You better believe we'll destroy the Earth!
You get up, you get up, you get up, get down!
And you better, you better, you better believe it!
We're coming to your town,
We're coming to your town and you better, you better,
you better, you better believe it!
Ziltoidia attaxx!
Ships are in the air
Everything goes rushing by,
There ain't no-one to stare!
Ziltoidia attaxx!
No conceit anywhere,
You better believe we come and sit,
With Ziltoid, commander Ziltoid... Ziltoid he comes...
Check this out!

[Ziltoid:] I am the greatest guitar player ever to have

You better believe we'll destroy the Earth!
You get up, get up, get up and now!
And you better, you better, you better believe it!
We're coming to your town,
We're coming to your town and you better, you better,

you better, you better believe it!
Ziltoidia attaxx!
Ships are in the air,
Everything goes rushing by,
There ain't no-one to stare!
Ziltoidia attaxx!
No conceit anywhere,
You better believe we come and sit,
We're in your planets air,
You better, you better, you better believe it!
You better believe it humans!
Do you know what?
You better, you better, you better believe it!
You better...
