Hey baby come here
I got something to tell you
See I've been thinking a lot about you lately
And well...

VERSE 1...

We've spent a lot of time together
I think I'm kind of in to you
(Yeah, yeah, yeah, yeah)
I'm feeling sort of nervous and anxious
To tell you what I'm going through

Well it might be the night
Or it might be the bright moonlight
All I see is a wonderful need
And beautiful too
So precious and new
And this is all I wanna do

CHORUS...

I wanna kiss you so bad
So bad it's driving me mad
I wanna kiss you real good
Oh and I'm wishing I could
(I, I, I wanna, oh baby let me kiss you)

VERSE 2...

I have a little tiny confession
I don't know what to do
(Yeah, yeah, yeah, yeah)
Oh I have a little tiny obsession
With something that's attached to you

Well it might be your eyes
Or it might be your nice big ooh
I don't know if I want my cover blown
I want the truth
Every time I'm with you
This is what I wanna do

CHORUS...

I wanna kiss you so bad

(Just wanna kiss you baby)
(Can I kiss you?)
So bad it's driving me mad
(Just wanna kiss you baby)
(I wanna kiss you)
I wanna kiss you real good
(Just wanna kiss you baby)
(And I'm wishin' I could)
Oh and I'm wishing I could
(I, I, I wanna, oh baby let me kiss you)

VERSE...

Well it might be the smile
Or the way you look into my eyes
Baby ooh what to do
I won't know until I kiss you
That's why, that's why I got to have you
I got to have you baby
I got to have you
Oh that why I
I got to have you
I got to have you baby
I got to have you
I wanna kiss you so bad

CHORUS...

I wanna kiss you so bad
(Just wanna kiss you baby)
(Can I kiss you?)
So bad it's driving me mad
(Just wanna kiss you baby)
(I wanna kiss you)
I wanna kiss you real good
(Just wanna kiss you baby)
(And I'm wishin' I could)
Oh and I'm wishing I could
(I, I, I wanna, oh baby let me kiss you)

Just wanna kiss you baby
Can I kiss you?
Just wanna kiss you baby
I wanna kiss you
Just wanna kiss you baby
And I'm wishin' I could
I, I, I wanna, oh baby let me kiss you
Yeah, yeah, yeah, yeah, yeah
