I've tried, to knock on your door
Spending my hole life on the outside looking in?
Wait to begin, I've been here before but I have not
received
And there?s something I'll still believe

He loves you now ?cose you?re thin
But you?ll be spending your life suckin? your stomach
in

And when you find it?s not enough
I still be there to pick you up
?Cose we?d no long to live this life
So take your time
This is a big decision

These nights, I've seen it before
You can change, if it?s what you want
?Cose you been caught and no one else
Can help you out, I'm sure

And when you find it?s not enough
I still be there to pick you up
?Cose we?d no long to live this life
So take your time
This is a big decision

He loves you now ?cose you?re thin
But you?ll be spending your life suckin? your stomach
in

And when you find it?s not enough
I still be there to pick you up
?Cose we?d no long to live this life
So take your time

And from some dreams, you don?t wake up
You?ll find is too late, too long now
And we?d no long to live this life
So take your time

This is a big decision
