34c isn't good enough for me
I need to have, at least a d
34c isn't good enough for me
I need to have, at least a d

Big ones, round ones, fat ones, too
Itty bitty teeny ones just won't do
Big ones, round ones, fat ones, too
Itty bitty teeny ones just won't do

34c isn't good enough for me
I need to have, at least a d
34c isn't good enough for me
I need to have, at least a d

Big ones, round ones, fat ones, too
Itty bitty teeny ones just won't do
Big ones, round ones, firm ones, too
I'd like to see the ones on you
