I gotta run away from dr surd.
He's always on my tail.
He's comin' so I better run
'cause he would know I never fail.

(chorus)
Oh my hell.
It's dr surd.
He thinks he is a big man.
Let me tell you something, surd.
Just catch me if you can.

Surd won't leave me all by myself.
He gives me such a fright.
If I was followin' that surd,
I'd do it like he did the other night.

(chorus)
Oh my hell.
It's dr surd.
He thinks he is a big man.
Let me tell you something, surd.
Just catch me if you can.

We didn't meet until half past four.
I couldn't stand it anymore.
I did get it.
I did understand.
Who was the bitch
Holding his assistant's hand?
I gotta run away from dr surd.
(dr surd.)
He's always on my tail.
He's comin' so I better run
(better run.)
'cause he would know I never fail.

(chorus)
Oh my hell.
It's dr surd.
He thinks he is a big man.

Let me tell you something, surd.
Just catch me if you can.
