Waste my time
Waiting for the call
To take me somewhere
I can't find

And you stay sometimes
But never long enough
Am I asking too much
For your nights?

CHORUS
'Cause every time you go
I feel I'm losing something
Every time you leave
It hurts my mind

The fading light
Takes you from my arms
And finds you somewhere
Outside again

So I lose myself
In someone else's charms
I can't hold them to my heart
And take you back again

CHORUS

Is that what you want?
